VOLUME 55

MARCH

2016

GREETINGS

Dear Members,

The 2016 school year promises to be an interesting and challenging year.

We are all back in the full swing of things and judging by the first term the year ahead is going to be extremely busy for all of us.

The following tasks are scheduled for the first term:

- 1) The annual audit
- 2) Collection of school fees
- 3) Exemption applications for 2016
- 4) Compensation for fee exemptions for 2015. Schedules will be prepared during the first term for auditors to check. Applications must be submitted to the Department on the 30th June 2016.

By now your first statement should have been sent out and hopefully you are starting the year off on a positive note.

Many schools have reported an increase in applications for fee exemptions.

Members must start planning their tasks for the second term.

Kind regards

NATIONAL COMMITTEE

NATIONAL CONFERENCE

We are overwhelmed at the enthusiasm and number of registrations for our first National Conference which will be held on the 2 and 3rd June.

A number of delegates have asked if they can still qualify for the early bird discount if they register now. The National Committee has extended this discount to the end of March.

Looking forward to seeing you all at the conference. The guest speakers promise to inspire us.

The National Committee have worked extremely hard to ensure that all our members have a wonderful conference.
